Pastors Desk

Dr Clarence E Williams

Grace and Mercy has brought us safe thus far and this very same blessing will lead us on to victory. Thanks be to God the Father, Son, & Holy Spirit for the great things that he has done here at First Baptist. Our strength and help have been overwhelming and the church is spiritually growing. I am so grateful to my wife and family for their support throughout this year and to the many ministries that have worked so hard within church and the community. We have had great success during our annual ministries along with being blessed in joining an association for further structure and guidance. Our children and families are being fed spiritually and physically in the outreach as well as internally. God has just truly smiled on us. Even after a few storms in our Media ministry, God has prevailed and allowed us to continue this ministry to benefit the good of those who listen and view the broadcast as well as the bless time we have in service as well. There is much more to come, as the training and consecration and ordinations for those who have walked faithfully to

show themselves approved as the Lord walks with them. I am so proud of the work that has been done, and as we prepare ourselves for the next task that lies ahead of us, May the Lord be with us. ◇

This added to our Deacons and Deaconess Ranks. Our Deacons conducted Biblestudy on June 4th due to Bad Weather conditions. The Pastor was asked not to tread on the tedious highway. He ahs trained our deacons very well and nothing was lost in biblestudy.

Sometimes we forget our pastor needs rest. So for the Next three weeks the Pastor will be on Vacation. As stated before there is always a ram in the bush. That ram is coming to us by the way of our own Rev. Al Brandon.

We did not have bible study due to Bro. Bobby Gunter catechism on June 25th. You missed a treat from our panel checking to see if Bro. Gunter was ready to proceed forward as a Deacon. With God's blessing Bro Booby Gunter was recommended to be Ordain as a Deacon. The Ordination took lace on June 29th at First Baptist Church with Pastor giving the Message. Family and Friends were in attendance to witness what the Lord has done in this young man's Life. If you put your trust in the lord he can bring you a mighty long way.

The Pastor preached at Mt Salem Baptist Church in Staunton, VA on the 27th of June. Our 2nd Annual 100 Women in White program was held June 28th at 3:30 PM. Rev. Belle Thomas taught us that 'Standing on the Promises" will help us to withstand a lot.◇

God's Love

By Corallie Thornton

1 Corinthians 13:4-8a

Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; does not behave rudely, does not seek its own, is not provoked, thinks no evil; does not rejoice in iniquity, but rejoices in the truth; bears all things, believes all things, hopes all things, endures all things. Love never fails.

The Bible says that God is love (1 John 4:8). When looking at this verse, if you replace the word 'love' with God's name, you get the following:

God suffers long and is kind; God does not envy; God does not parade Himself, He is not puffed up; God does not behave rudely, does not seek His own, is not provoked, thinks no evil; God does not rejoice in iniquity, but rejoices in the truth; God bears all things, believes all things, hopes all things, endures all things. God never fails.

Isn't that amazing? How awesome is our God? It is because God is love, that we are able to see this verse in a new way.

We don't deserve God to be all of these things to us. We [mess] up, we make mistakes; yet God still wants to be our friend. God is patient with us (v4). He never gives up on us, although we may make the same mistake time and time again. God does not rejoice in our shortcomings. God bears with us, but not only that, He rejoices in our growth! Although we may fail, God will never fail us.

*Our God is a God of love, and He will persist with us; even when no-one else will.
He will never give up on us!*

Two Grocers

"You must have accurate and honest weights and measures, so that you may live long in the land the LORD your God is giving you" (Deut 25:15).

A few hundred years ago there were two Christian grocers in London. One of them said to the other, "You know, as Christians, we're supposed to have honest scales. It says so in the Bible. So how should we do that?" "Well, I'll tell you what, I'll come and check your scales on Wednesdays to

make sure they're accurate and you come on Sundays and check mine. We'll make sure they're accurate." The two grocers developed a list of twelve principles that they felt should guide the way they were to do business.

People preferred to buy from them because they knew they would get a good product, at a fair price, with honest scales. Other grocers who were Christians decided to join in and they formed an association of Christian grocers. In those days it wasn't called exactly that, but was actually called the Most Worshipful Company of Livery Merchants. The name is very odd and peculiarly British.

This group led to other industries adopting a similar idealism known as Livery Companies in the City of London. There are now 300 companies in the City of London registered as Livery Companies. The latest one was the Most Worshipful Company of Information Technologists. Everybody that joins one of the companies in the City of London, even today, receives a list of the principles they have to agree to. The list contains 36 biblical principles to guide your life. And they call the book, *Some Rules for the Conduct of Life to Which Are Added A Few Cautions*.

The rulers of the nation in Britain began to see the affect of these companies and said "What we need to do is make it a law for the whole nation. So instead of just these grocers having their honest scales, every scale in Britain needs to weigh accurately." The government Weights and Measures Department, which is in existence today, can trace its history back to the day when these two grocers decided to keep themselves accountable for biblical principles.**

Are you operating based on honest weights and measures?
